### NEGRO KILLS TWO MEN AT FT. WORTH

Patrolman Ogilvie, Veteran of Ft. Worth Force, is One of the Victims—Slaying Trial to End Life. Ft. Worth, Tex., May 16.—Tommy Lee, a negro boothblack yesterday shot dead patrolman Ogilvie, a veteran of the local police force, and Walter Moore, negro, and shot and severely wounded David Colton, Harold Murdock and an unidentified negro. He then crawled into a sewer, where he was pursued by a mob of 2000 people and shot himself.

The trouble started when Lee fired upon a negro with whom he had quarreled. This excited him and he ran to a negro pool hall and killed Moore, the policeman was killed when he attempted to arrest Lee. The negro then ran through the streets firing at those who tried to stop him. A company of state militia was ordered out to guard the jail to which Lee was taken. It was feared that the men and boys who had gathered in numbers would attempt to lynch the wounded negro.

While a portion of the mob was assembled about the front of the jail, a number of men battered in a rear door. They were repulsed by prison guards. One man was struck by a brick and slightly injured. The militia has been distributed in commanding positions to repel any attack that might be made. The negro Lee is still alive, but is believed to be mortally wounded. Rioting resulted in considerable property damage in the negro section of the city, practically every house on East Ninth street occupied by negroes being wrecked. Big fires fed principally by ligatures and trash were started early today by small crowds but the activity of the police and property owners prevented the flames from gaining any headway.

### ARE YOU INSURED?

Many of the unfortunate of last night's fire did not have one cent of insurance and the reason was that they had put it off until too late. Do not do likewise, but call on A. P. Coles & Bros., and secure insurance at once in the leading companies of the world.

### DUAL EXISTENCE OF CHICAGO CHAIRVOYANT REVEALED TO JURY

Chicago, Ill., May 16.—Interesting evidence of the operations of Charles de Alvarados, alleged leader of the clairvoyant ring now under investigation, has been presented to the grand jury. According to state's attorney Hoynes, de Alvarados led a dual existence, posing as a lawyer and operating as a seer. As a lawyer he had an office downtown; as a clairvoyant he was said to have maintained three mystic parlors in which he appeared disguised to those who had met him in his capacity as an attorney. As a lawyer, he is alleged to have directed his victims to consult the seer. Then he is said to have disguised himself and appeared as the seer. Thus he was able to make surprising disclosures to his victims. He is said to have acted as chairman of weekly meetings held by clairvoyants where the "white envelope fund" was contributed for distribution to the politicians and detectives who protected their operations. State's attorney Hoynes said: "I have direct evidence of collusion between police officials and criminals; that is, direct connection, without a go-between, and none of them will escape prosecution."

### DEDICATES NEW GARAGE WITH PARTY TO FRIENDS

Garage housewarming are the newest automobile wrinkles in El Paso. They were introduced by Walter Kohlberg, who invited a number of his friends to help him properly dedicate his new garage, just completed in the rear of the Kohlberg home on West Boulevard, and Corto streets. The garage is one of the most attractive in the city, as it is built with the same lines as the Kohlberg house, with a stucco finish and a red tile roof. The interior of the garage was decorated in green and the lunch was served to the guests who were seated at two long tables while a Mexican guitar player sang Spanish songs in the moonlight under the window.

### HERBINE

Is a Powerful Chills Tonic and Liver Regulator.

A Torpid Liver is a fine field for the Malarial Germ and it thrives wonderfully. The certain result in such cases is a spell of Chills. It puts the liver in healthy, vigorous condition and cures the chills by destroying the disease germs which infect the system. Herbine is a fine antiperiodic medicine, more effective than the syrupy mixtures that sicken the stomach; because it not only kills the disease germs, but acts effectively in the liver, stomach and bowels, thus putting the system in condition to successfully resist the usual third or seventh day return of the chill. Herbine is a cleansing and invigorating medicine for the whole body. Price 30c per bottle. James F. Ballard, Prop., St. Louis, Mo. Stephens Eye Salve is a healing ointment for sore eyes. Sold and Recommended by All Druggists.
